A gem of a find in this sought-after complex in the heart of Fourways, away from the hustle and bustle of malls and main roads, but wonderfully accessible to all main roads, shopping, hospital, schools, and churches.

The apartment is bright and spacious, with a lovely large open-plan kitchen, dining room, and lounge opening onto a large balcony with gorgeous views over the gardens and trees of the suburb. The kitchen has Caesar Stone counters and excludes the appliances.

2 well-sized bedrooms, both with ample BiCs and large picture windows to allow in light and air. The full bathroom services all your requirements.

This is a must-see property. Call
